AUTHOR VISIT
Students in Miss MacLean's Literacy group enjoyed the opportunity to listen to author Morris Gleitzman talk about his books and his approach to story writing on Thursday at Gulgong.
We were very proud and impressed by our students as they listened attentively and asked Mr Gleitzman a number of excellent questions. The Mudgee Readers Festival is on this weekend & an information flier is attached.

MOTOR COORDINATION PROGRAM
We have begun implementing a Motor Coordination Program as part of our morning fitness session. Students are involved in a variety of activities to develop balance, movement and coordination. We recently received some funding from Wilpinjong Mine that has been used to purchase new equipment for use by the students.
The program is proving to be very popular with the students who are all thoroughly enjoying the activities each morning.
