SCHOOLS CLEAN UP DAY
Thank you to all those who came along to lend a hand with Clean Up Day. It was a great team effort with students, parents, staff and members of the community combining to clean up in the village. We are very thankful for the wonderful support from the wider community and special thanks goes to Mudgee Fire Control and the Cooks Gap Bushfire Brigade for organising the fire trucks to provide traffic control. Students were most impressed with the fire trucks and enjoyed the opportunity to see the vehicles and test out lights, sirens and radio communication. All students participated enthusiastically in the clean up but special mention needs to be made of Sam Nestor who did a wonderful job.

GULGONG SHOW ENTRIES
We were most pleased and proud to win Best Exhibit with our beautiful fairy scarecrow, and our monster scarecrow was awarded second place. Congratulations also go to Bella and Lily Knowles for winning first places for their dreamcatchers and Chloe Loughrey who was highly commended for her entry.

We will be attending the Annual Cassilis Cross Country Fun Run on Friday 6th March at Cassilis Public School. Small schools from the surrounding area will be taking part. A canteen will be operating and a lunch order form is attached and must be returned on MONDAY 2nd March if you wish your child to order lunch. All other students will need a packed recess and lunch. Please complete the attached Permission and Transport note and return it by WEDNESDAY.
NEW PLAYGROUND
Construction of our fantastic new playground began on Thursday and it is looking amazing. It was most interesting to watch the building process happening. Once the soft fill is delivered the playground area will be completed and will be ready for use. The children are extremely excited and can’t wait to use the equipment.
