STANDOUT STUDENTS
Our Standout Student Awards go to Jackson Daines for impressive sportsmanship, Bella Knowles for increased confidence with Maths and Chloe Loughrey for a caring and considerate approach with junior students.
Well done!!!

CASSILIS CROSS COUNTRY
Parents who are transporting their children need to be at Cassilis School by 9.45am on Friday.
If you wish to travel “in convoy”, please meet at Ulan at 9.10am.
Please ensure that students have a water bottle, hat and packed recess and lunch if they are not ordering from the canteen.
Students will walk the course at 10 o’clock, with races beginning after the recess break.
A program from Cassilis School is attached.

LIFE EDUCATION VAN VISIT
We will host a visit from the Life Education Van on Monday 9th March.
Goolma and Wollar will join us for a day of activities.
Students will be involved in the Life Education Program, participating in age appropriate lessons in the van with Healthy Harold, as well as taking part in a special Grasshopper Soccer Coaching Clinic.
Students need to wear joggers to take part in the soccer coaching.
Lunch orders will be available as usual.
We are all looking forward to a great day!

NEW PLAYGROUND UPDATE
The softfall was delivered today so we are busily shovelling it into place so the playground can be used next week. The students were extremely enthusiastic to help to get the project completed. What a great team effort!
